Message from the Vicar

Dearly beloved in Christ,

We have often heard it said that God is Love and the greatest proof of His love is that He gave His only begotten Son to redeem the world.

It's said that during the long siege of the Spanish capital by the Mohammedans, King Alphonso defended the city valiantly; but unfortunately, his son was captured by the enemy. The Sultan of the Mohammedans was triumphant. In full view of the capital, he erected a gallows and forced the young prince to ascend it. Then he sent a message to King Alphonso, "Either the city or your son". When that message was received, the people anxiously watched the king. Which will he choose, they wondered. Will he surrender the city and deliver his people to death and slavery or he will sacrifice his only son? It was a very hard choice to make, but the King quickly reached a decision. He answered, "Let my son die, that my people may live". God so loved the world that He gave His only begotten Son, to redeem us. The Father sent His Son out of His immeasurable love for us sinners. He has sent him to free us from the bondage of sin, to invite us to heaven, to teach the truth, and to show us how we should live. He has sent His Son to share with us the source of all goodness, to enrich us with the treasures of His grace.

The Church recalls this mystery to remind each year to stir us to constantly renew our memory of the great love God has shown us. This commemoration teaches us that our Saviour came not only for the benefit of the people of his own time. His goodness is still there for us to share through faith, prayer, sacraments and good works.

I remember the life of Rev. Sunny Thomas, our former Vicar (2005-07) who passed away on November 10, 2025. We had close family relationship from 1997. Let us uphold Mercy Kochamma, Feba and Gaius in our prayers.

The heavenly Father was gracious enough to help us to celebrate Family Sunday and Harvest Festival. Let us thank God for His manifold blessings we enjoyed till this moment. Also, our 43rd Parish Day will be celebrated on January 4, 2026. Please join the service to thank God for His benevolent presence with us.

As we celebrate Christmas, uphold the motive of God in our thoughts and celebrations to understand the true meaning of the Christmas. May the New Year bring forth new light throughout our ways in the coming days.

We wish you a Merry Christmas and a happy New Year!

With love,

Samachen
